

# ADDENDUM NO. ONE

August 27, 2012

## 2012 RURAL OVERLAY AND REHABILITATION PROJECT

The following items shall take precedence over the referred to counterparts in the Specifications and other Contract Documents and any other portions in conflict herewith.

### Item #1 REVISED BID DATE

The bid date is hereby extended by seven (7) days. The revised bid date shall be September 12, 2012 at 2:00 pm and will, shortly thereafter, be opened and read aloud in the office of the Purchasing Division.

### Item #2 REVISED SPECIAL PROVISIONS

Special Provisions were revised for the clarification of streets and the order or sequence to be overlaid. In the paragraph explaining the construction of Patin Road the percent and depth of the lime and soil cement changed to 7% @ 14" depth for the soil cement and 8% @ 14" depth for the lime treatment. Also the streets Bull Run Circle was added and Confederate Ave. and Sumter Ave were removed.

### Item #3 REVISED BID FORM

#### *Changes:*

The quantity for the Item # 502-01-00100 Superpave Asphaltic Concrete (Level 1) (Open Ditch Roadways) changed to 7,556 tons.

#### *Additions:*

<u>ITEM #</u>	<u>DESCRIPTION</u>	<u>UNIT MEASURE</u>	<u>QUANTITY</u>
712-02-00300	Sacked Concrete Revetment (Dry Batched)	Square Yard	72
735-01-00100	Mailboxes	Each	11
735-02-00100	Mailbox Supports (Single)	Each	11

The attached herewith Louisiana Uniform Public Work Bid Form with revision date of August 27, 2012 includes the above quantity changes and additional bid items and shall become a permanent part thereof. This bid form must be used.

**SPECIAL PROVISIONS**  
**Revised – August 27, 2012**  
**2012 RURAL OVERLAY PROJECT – SEQUENCE OF PROJECT**

At the commencement of this project, 2012 Rural Overlay Project, the priority order which the Contractor must start on is Judice Park Parking Lot. The Contractor shall perform the required repairs on the streets in the southern part of the Parish; Kimball Drive, Durke Road, Vincent Road and the streets within Shenandoah Subdivision; Janin Road, Emancipation Drive, Burlington Avenue, Bull Run Circle and Corinth Avenue. Then the Contractor shall perform the widening of Patin Road, then to Cankton Road and Brothers Road. Once these roads have been completed, the Contractor will be allowed to schedule the remaining streets as he desires.

Patin Road is presently a gravel road and during this project we will be building a twenty foot (22') wide asphalt roadway. The base will first be treated with 8% lime @ 14" thick. This same lime treated soil will then be processed with 7% cement @ 14". Also as part of the work on Patin Road, the existing ditches will be mucked and filled. There will be clearing and grubbing of an existing wooded area along Patin Road to allow new ditches to be established. All this will be shown on the plans which will accompany the specifications for the 2012 Rural Overlay Project.
